Welcome to Online Banking

Keep your computer's guard up.

Help protect your account information online with an **extra layer of fraud protection software.**

[Download Now](#)

Download **Trusteer Rapport** online fraud protection software - **no charge** from Bank of America.

Rapport is an enhanced computer security program that helps keep your sensitive data safe. **It works alongside your existing anti-virus software** and firewall to provide an extra layer of protection that:

- Protects your browser communication while using our site or other financial sites.
- Blocks malicious programs from stealing your online user ID, passcode, and other sensitive information.

We're pleased to offer this security software as part of our commitment to keep your account and financial information secure. To take advantage of this offer, simply install Trusteer **Rapport** in just a few minutes. It requires no registration, restart or further commitments. And, future software updates are automatically provided at no charge.

Click on one of the download links to download Trusteer Rapport now.¹ A pop-up window will appear and ask you to download the software.²
